

TAMIL NADU POLLUTION CONTROL BOARD

From

Er. T.Kannan, M.E
District Environmental Engineer i/c,
Tamil Nadu pollution Control Board,
SIPCOT – 1, HOSUR – 635 126.

To

The Secretary
M/s. Hosur Industries Association
159-A Sipcot Industrial Complex,
Hosur – 635 126.

Lr.No.F. /Renewal/OCMMS/DEE/HSR/2015 Dated 09/10/2015

Sir,

Sub: TNPCBd – Industries located in SIPCOT /SIDCO to apply for the consent /Renewal of consent of the Board through online – Reg.

Ref: 1. Online Consent Management and Monitoring System launched during January 2015.

Tamil Nadu Pollution Control Board has introduced the Online Consent Management and Monitoring System which can be logged at tnocmms.nic.in. All the Industries should make application for the consent to Establish/Consent to Operate/Renewal through online only. In this regard several training programmes were also given by Tamil Nadu Pollution Control Board to the Industries. But still most of the Industries located in and around SIPCOT and SIDCO Industrial Estates at Hosur have not yet applied for the consent of the Board through online.

In this regard it is requested to take initiative steps to make the industries apply for the Consent/ Renewal of consent of the Board. The industries are requested to approach care centre at this office for any assistance needed.

The action taken on the above shall be informed to this office.

District Environmental Engineer i/c,
Tamil Nadu Pollution Control Board,
Hosur.
