THE TRANSFORMATION OF HOSUR A SUCCESS STORY

Hosur, a town that has defied the odds and embraced progress at every turn. Over the past four decades, Hosur has evolved from a tiny village into a role model industrial town, a testament to the indomitable spirit and vision of its people. At the helm of this remarkable transformation stands the Hosur Industrial Association, led by eminent and dedicated leaders. I am both fortunate and privileged to serve the association over the last seven years.

Hosur stands as a testament to progressive policies, cooperation and support extended by various governments and government departments. As a result, numerous industries have found Hosur an attractive destination for entrepreneurs and investors alike.

HIA's policy advocacy, training programs, pioneering contribution to the society at various points in time, and responsible industrial initiatives have not only benefited our industries but have also contributed to the larger goal of a sustainable future. Corporate social responsibility is embedded in our ethos. We invest in education, healthcare, and environmental conservation, ensuring that our progress uplifts the entire community. Sustainability and inclusiveness are not just a buzzword; it's a commitment, one that we honour through eco-conscious practices and responsible industrial methods. Few examples of the contribution from HIA are as follows.

- ▶ Traffic warden program 100-plus volunteers are rendering their selfless service to manage the traffic, support police on many special occasion, road Safety programs in schools, colleges and companies, a much appreciated and bench mark one in Tamil Nadu.

THE PUBLISHER'S NOTE

Biz-x Resources is the official publisher of the Hosur Industrial & Business Directories and have been connecting Hosur businesses with their customers Since 2015.

Biz-x Resources very gladly and proudly present to you the comprehensive up-to date Hosur Industrial & Business Directory - Eight Edition, Covering all Industries, Trade, Commerce, Services and Business Establishments.

The directory is a ready reckoner and showcasing the highly skill capabilities of Hosur Industries alongside with cutting edge machinery and services which serves to the state and national level and serve the economy of the region.

The previous 7 Editions have been extremely well received by Industrialist, Trade & Service organization in and around Hosur & India and been very well acclaimed directory and much sought after publication. The reason being our directories are well known for its good quality, print, presentation, reader friendly use, rich and relevant contents etc.,

The unique feature of this directory is that it has got the print and digital medium together by means of the new technology like QR SCAN CODE this will be showcasing the advertisers and companies listed to be very quick and easy link of their company name, address, contact numbers, website, emails etc.

Benefits of advertising in Hosur Industrial & Business Directory

- Direct Product Exposure
- Develop's Brand Image
- Maximize your Business
- Reach out Local and Global
- Targeted Lead Generation
- Extensively used by Local and Others & Printed Directory kept for a YEARS.

There are plenty of verticals in the directory catering to various different categories of industries from high end manufacturing making world class products etc and indeed giving the world a Made IN INDIA products.

The directory would work by just scanning the company details on mobile phones and it can be shared to the prospective clients in very quickly this will definitely quicken the process of getting enquiries and execution of orders.

The coverage of the directory will be extensive and exhaustive to give quick information to businesses of all sizes. It will be a one-stop reference and guide. This directory will be great boon for Hosur and surrounding Industrial hubs in long way.

Biz-x Resources would like to thank the President, Office Bearers, Past Presidents, Managing Committee Members and Secretariat of HIA for giving this opportunity and entrusting this responsibility to the Biz-x Resources team and also extending the cooperation in this endeavour.

Warm regards
Ramesh Marri

MESSAGE

MP
Lok Sabha
Krishnagiri Constituency

It is with great pleasure and excitement that I extend my warmest greetings on the release of the 8th Edition of Industrial & Business Directory. This momentous occasion marks another significant milestone in our local industrial landscape. This Hosur Industrial and Business Directory not only serves as a comprehensive guide to the businesses shaping our community but. Also stands as a testament to the ingenuity and resilience of our industrial sector. With each edition, we witness the evolution and growth of our local businesses contributing to the overall economic prosperity of our region. I commend the dedication and hard work of HIA and all those involved in the compilation and release of this directory. Your commitment to showcasing the diverse array of industries in our constituency is truly commendable.

As your representative in Parliament, I am keenly aware of the challenges and opportunities facing our industrial community. Rest assured, I will continue to advocate for policies that foster innovation, sustainability, and growth, ensuring that our businesses remain competitive on both national and global stages. May this 8th edition of the Industrial Business Directory serve as a source of inspiration and collaboration. I encourage you to explore the directory, engage with fellow industrialists and forge new connections that will further strengthen our local economy.

Congratulations to all the businesses featured, and here's to continued success, prosperity and collaboration in our vibrant industrial community.

DR. A. CHELLAKUMAR

MESSAGE

GUIDANCE

Guidance is the Government of Tamil Nadu's nodal agency for investment promotion and single window facilitation. Founded on 15th July 1992 as the "Tamil Nadu Industrial Guidance & Export Promotion Bureau", the agency was renamed "Guidance" in 2019. Operating under the aegis of the State's Department of Industries, Investment Promotion & Commerce, Guidance has played a crucial role in attracting investors and investments into Tamil Nadu over the years. Following the 'Tamil Nadu Business Facilitation Act 2018', the Government of Tamil Nadu gave Guidance the statutory responsibility of functioning as the nodal agency for providing incentives and single window clearances for all enterprises other than MSMEs.

TATA STEEL
#WeAlsoMakeTomorrow

#SteelFact
Recycling 1 tonne of steel scrap saves
1.5 tonnes of CO₂
1.4 tonnes of Iron Ore, 740 Kg of Coal
and 120 Kg of Limestone.
Source: World Steel Association

RECYCLING STEEL FOR A BETTER TOMORROW

Steel production through Electric Arc Furnace (EAF) uses scrap as an input and Tata Steel is setting up India's first state-of-the-art Scrap Processing Centre! The scrap will be sourced from End-of-Life Vehicles, household items, large industrial consumers and SMEs. The scrap will be collected directly from industries and by Company Authorized Aggregators. Sure, we make steel. But #WeAlsoMakeTomorrow.

Tata Steel is now a part of ResponsibleSteel™, the industry's first global multi-stakeholder standard and certification initiative.

THE DEMING PRIZE,
WORLD'S MOST RECOGNISED
QUALITY AWARD.
WE'VE WON IT,
A SECOND TIME.

Our Hosur Plant* has won the Deming Prize.
The second, after the Pantnagar Plant won it last year.

Deming Prize, the definitive international award for quality that recognises contributions towards Total Quality Management (TQM), has been awarded to the Hosur Plant. An achievement made possible by our unwavering commitment to quality. That's how we have won two in a row.
